January 2004

Dear Watchmembers,

Welcome to January's edition of the watch letter.

Survey Forms

Could I please remind all the co-ordinators about returning the survey forms that were sent to you last month. It is important that we get the public view on policing priorities and your help would be greatly appreciated. We are not compiling the information at a local level at Oxgangs so it will be a while before there is any feedback, but as soon as I hear anything I will let you know.
